VOL. LVIII: NO. 35

REDWOOD CITY, CALIFORNIA, SATURDAY, DECEMBER 1, 1917.

ESTABLISHED 1859.

CLUB OPENING IS POSTPONED

The opening of the National Defenders Club at Camp Fremont, originally planned for Thanksgiving day, has been postponed to the following Thursday, December 6th. Instructions from headquarters at Camp Fremont advise a later date, owing to the fact that the men will celebrate the holiday in camp, according to the established custom, with Uncle Sam a generous host. Naturally, in arranging a housewarming to mark the presentation of the club-house to the soldiers, the women in charge could not interfere in any way with the festivities being planned by the men themselves, and acting on the suggestion of Colonel Smiley, they have set the date of the opening for a week later. Incidentally, this will ensure complete readiness in all departments, and the extra days will be welcome to the heads of the various committees. There will be more time for the workmen to finish the two new rooms now being built, more time for the generously inclined to send in donations of chairs, tables, cushions, etc., and more time for jams and jellies to accumulate in the store-room. All donations that were asked for for Thanksgiving can be sent in time for the following Thursday, and Mrs. Max Rothschild, canteen chairman, will be more than grateful to receive home-made cakes, candies, jellies and jams, not only for the opening day, but throughout the winter. Nothing takes the place of home-made things, and the committee in charge are proud of the generous donations already received. "Free jam" is to be a great feature of the canteen, and it has a way of disappearing rapidly, so that there will always be room on the pantry shelves for more and still more.

Mrs. A. L. Stone, Burlingame, will receive donations of furniture, or have them called for, if notified.

SUIT AGAINST THE MCCARTHY'S TRANSFERRED TO SAN MATEO

The suit of Minnie Wisnom against Dr. Charles F. McCarthy and his wife has been transferred from the superior court of San Francisco to this county for trial. The papers were received at the county clerk's office on Wednesday. The suit was filed in the city on March 20, 1914. Plaintiff brings the action to recover the sum of \$505 balance due for wages as a servant with the McCarthy family for 48 months prior to March 1st, 1914.

Since filing the action the McCarthy's have been divorced. What effect this will have on the case at issue remains to be seen.

Appraisers Make Report
H. C. Tuchen, M. F. Boland and M. J. Conway, appraisers of the estate of Josephine E. Brown, deceased, have filed their inventory and appraisal. The total value of the estate is placed at \$71,477.80. It consists of cash in bank amounting to \$8,027.80, real estate at San Mateo, household effects, jewelry, stock, bonds, etc., appraised at \$63,450.

Administrator Applies for Letters
Dr. W. A. Brooke, through his attorneys, Ross & Ross, has applied in the superior court for letters of administration upon the estate of Donald Martin, who died on November 18, 1917. The estate consists of cash in bank amounting to \$800. There are no heirs living within the state.

SEQUOIA DEBATERS DEFEAT SANTA CRUZ

The first of the regular outside debates in which Sequoia is to take part was held last Friday evening in the High School Assembly room when Santa Cruz met the local debaters on the question, "Resolved: That the United States should join in the league to enforce peace."

This is one of the series arranged for by the University of California and Sequoia was lined up with Santa Cruz and Mountain View. Here at Redwood, Jessie Duggan and Charles Heiser upheld the affirmative of the question and defeated the Santa Cruz debaters, Elsie Jensen and Herbert Hazleton, by obtaining the decision of two judges to their one. The debate was very close and the decision was in doubt until the judges reported.

Louise Fitzpatrick and Lauretta Williams went down to Mountain View to hold the negative of the same question but, through a misunderstanding, Mountain View had prepared another phase of the same question. The two teams could not agree upon a basis to debate, so the debate was temporarily called off. The local people had prepared on the question as stated above while Mountain View students worked on the question "Resolved: That the Nations of the World unite in a League to enforce peace." Under this topic the two teams will hold their debate next week. If Redwood should win this debate from Mountain View, it would put them ahead of Santa Cruz.

Sequoia is also scheduled to debate with San Mateo High School December 15th on the question of Universal Military Training. As in the other debates, one team will stay here and one will go to San Mateo. This is the first time that the school has met San Mateo in debating and the strongest interest is manifested in the outcome.

We have generally lost to San Mateo in athletics and it is desired to justify our interest in debating. Blanche Rober and Robert Murray will go to San Mateo and Dudley De Groat and Jessie Duggan will debate there.

SERGEANT KREIG FINDS CAMP LEWIS RATHER MOIST

Sergeant H. W. Kreig, who departed recently for Camp Lewis, writes as follows to Charles Gould of this city, who raised the young officer:

"Arrived at American Lake last Saturday night and we were all tired after that two days ride. The scenery on the way up was beautiful, we saw Mt. Shasta, Mt. Hood and we can see Mt. Rainier from our camp. The weather is very cold up here, and it rains pretty near every day. We have a review today, forty thousand men were on the field at one time and it certainly was an inspiring sight."

I haven't got much time to write as the bugle soon will be sounding for retreat so I will say good bye for a while.

SERGEANT H. W. KREIG,
Co. H. 322 Files Battalion Signal Corps.

MOTORCYCLE POLICE AT CAMP FREMONT

Camp Fremont officers have added to the strength of the military police and there are now motorcycle "cops" mounted on gasoline steeds patrolling the State highway with an eagle eye. The mounted guard has just been placed on the road and is assisting the provost guard and city and county officials in landing the unruly boys in khaki.

MONEY IS RAISED FOR CAMP FUND

John A. Britton, campaign manager of the Camp Fremont fund, told the Times-Budget last evening by long distance telephone that the people of Redwood City were to be congratulated on raising the \$500 allotment. He said that personally he believed the spirit shown by the merchants and residents of this city was "magnificent and munificent."

"Tel them that we're going to hold a great 'drive' for the San Francisco quota next Monday-morning at a luncheon in the Palace hotel. Three hundred prominent men and women of the bay counties have been invited and I am assured that the \$55,000 still due of the \$150,000 quota will be raised before the meeting is over."

I wish the Times-Budget to also tell the people that Camp Fremont will remain in Menlo Park. The excellent support that we have received from the peninsula districts has been in a great measure responsible for this. When I went to San Jose some days ago and spoke at the chamber of commerce meeting I could see the success of the project in the eyes of those men."

Chairman Joseph M. Parker, president of the chamber of commerce of San Jose, closed the Camp Fremont fund campaign in behalf of San Jose yesterday by personally guaranteeing the remaining \$200 lacking at 5 o'clock last evening of the \$5,000 apportioned out by the San Francisco committee as this city's quota of the amount necessary to pay off the indebtedness incurred by the war department at the camp's present site in Menlo Park.

Mr. Parker declared quite modestly that since the money had not been gotten to uphold the honor of San Jose a few dollars should not be left standing in the way of the valley's prosperity, which he assured would come with the establishment of a cantonment where there would be at least 25,000 soldiers, all whom will pay San Jose a visit at some time or another.

Parker said that the need of keeping Camp Fremont here was among the greatest issues which has confronted the community in years and that outside of the patriotic feeling among the residents of this county to royally entertain the soldiers the commercial interests involved were such as could not be cast aside with impunity.

MEMBERSHIP DRIVE FOR LOCAL RED CROSS BRANCH

The National Red Cross Association has ordered a membership drive for Redwood City and San Mateo County to begin on December 17th and to end on December 24th. The quota of increased membership for Redwood City is 400 and San Mateo county 4,500. Roy W. Cloud has charge of the local drive and in a few days will appoint various committees to take charge of the affair. The drive for the county is to be in charge of Mrs. E. A. Doane of San Mateo. No contribution will be asked of the new members other than the membership fee of one dollar.

ANOTHER RECREATION HALL OPENED AT CAMP FREMONT

The opening of the Knights of Columbus hall at Camp Fremont took place last evening. The program was quite informal. It was entirely in the hands of the soldiers, who furnished music, monologues, and various other entertainments. There were three boxing matches of three rounds each. The soldiers' chorus completed the evening's entertainment.

The dedication will be held Sunday. Catholic clergymen from all over the state will gather for this service.

Reginald Parker Tells His Army Experiences

An interesting letter has been received by Ray Griffin from Reginald Parker, son of Rev. C. A. Parker, and former center of the crunk R. A. C. basketball team, and who is now stationed at the Naval Training school at San Pedro. Parker says he likes the service and reports all the Redwood boys well and that they are being treated great.

Following are extracts from his letter:

"This is sure the life and no fooling. We are at what is called Detention Camp. We aren't put in for any disease or anything, but the authorities claim it is merely a quarantine or precaution against any disease that might develop. All new comers must serve their time twenty-one days. There are about 150 in camp now and we expect about 100 new men this week. There are about 1200 over on the 'ship' as the long dock is called where they are quarantined."

We get fine eats down here. We had a regular chicken dinner yesterday. Get meat twice a day at least, fruit, pie, pudding, always have butter. So you see we aren't starving. Good bye 130 pounds."

We are going to have big doings here Thanksgiving. Besides the turkey, pudding, etc., we are going to have a big show with movie stars holding the stage—Charlie Chaplin, Fatty Arbuckle, Margery Wilson and the Pickfords being some of the stellar lights. Just watch me get down in that baldheaded row."

Our time will be up on Dec. 5th and then we go to the ship. I saw Bob and Phil Fox. Their time was up last Friday."

Here's our daily schedule: 6:00 a. m. pile out; 6:15 Swedish exercises; 7:00 mess; 8:30 drill; 11:30 recall; 12:00 mess; 1:00 drill; 4:00 recall; 5:00 mess; 9:00 taps."

Say hello to everybody as I would need a whole company of stenographers to write everybody regular."

Hans Madsen and family of San Jose were the guests of Mr. and Mrs. Charles Jacobson over the week-end.

CHANCE TO HELP RECREATION FUND

Were your boy absent in his country's service, enduring hardships and perhaps facing danger, it would be a comfort to you to know that people were endeavoring to make his life more enjoyable, his hours less lonely. We can all do our bit for somebody's boy who is away from home, can make the days brighter for him, and we will all be the happier for so doing.

The Redwood City War Camp Recreation Fund Committee announces an opportunity for all to contribute toward the recreation fund for Camp Fremont through an entertainment and all-night dance to be given in Foresters hall, Redwood City, on Saturday night, December 8th, 1917. A varied and splendid program for the entertainment has been arranged and some of the finest talent in San Francisco and on the peninsula are engaged to perform. An excellent orchestra will furnish the music. Amusement in plenty will be provided not only for the young but for those who are young in heart if not in years.

The purpose is most worthy and those who are in charge of the arrangements are doing all in their power to make the function wholly enjoyable. Buy a ticket for yourself and your friend and feel the consciousness that comes from doing the right thing and the kind thing. Do not let other cities outdo Redwood City. She must hold her own and can only do so through the help of the community. Everybody is invited. \$50,000 was raised for this fund by San Francisco. Will we fail to raise our share—NO.

RELIGIOUS CEREMONIES TO MARK OPENING OF CAMP HALL

The K. of C. building at Camp Fremont will be formally opened by High Mass Sunday, December 2nd. The building is now completed and will be turned over to the Secretary and is practically now the property of the soldiers.

Mass will begin at 10:30 and Archbishop Hanna will deliver an appropriate sermon. Everybody is invited. The completion of the building marks the first step taken by the Knights of Columbus in preparing for the needs of the soldiers. The expenses of this country for permit for the National body and they will continue to maintain it. The expenses to date amount to \$12,000.

The following committees were appointed to take charge by the head of the Knights of Columbus of the State of California: Jas. T. O'Keefe, Chairman; E. J. Tobin, J. J. Jones, Rod A. Chisholm, Fathers Hannigan, Gleason and O'Connell.

PHILIPS ESTATE EXECUTORS INTEND TO BORROW \$50,000

W. F. Chipman and the Union Trust Company of San Francisco, executors of the last will and testament of Josephine A. Phelps, deceased, have petitioned the superior court of this county for permission to mortgage certain portions of the property of the estate for \$50,000 with which to pay off the outstanding debts.

Included in the schedule of the property to be mortgaged is all the realty located in Redwood City. The petition will be heard in open superior court on December 27th. The estate is appraised at over a half million dollars.

W. C. Sharpstein is the attorney for the estate.

Appraiser Appointed

Judge Buck yesterday appointed R. F. Chilcott inheritance tax appraiser of the estate of Frederick J. Trist, deceased.

Inventory Filed

R. F. Chilcott, inheritance tax appraiser of the estate of William J. O'Connor, deceased, has filed his inventory and appraisal. The estate consists of personal property and is appraised at \$246.

Sale of Real Estate Confirmed

Judge Buck yesterday confirmed the sale of lot 3, in the Redwood Farm tract near town, to Ben Dema for \$1825. The property belonged to the Edward Thomas Randall estate. The estate will now be distributed.

Case Dismissed

The civil suit of Francisco M. Victorino against Edgar L. Wilson has been dismissed in the superior court. The notice of dismissal was filed in the county clerk's office yesterday.

A. J. Martin, well-known in San Francisco theatrical circles, has arrived in town and will manage the cabaret to open at German hall next week. Mr. Martin plans some unique entertainments for Redwood City music lovers.

TO SECURE FINAL LAND LICENSES

With assurances that San Francisco will make good the pledge to raise \$150,000 to care for land leases and provide an outfall sewer for Camp Fremont, a drive is on in Santa Clara and San Mateo counties to secure the final licenses from property owners to the United States for the army to use certain desired lands for drill purposes.

A meeting of business men was held in the city hall at Palo Alto and assignments were made to a number of persons to secure signatures to such licenses to use unoccupied lands lying between Palo Alto and Mountain View and between the bay and the foothills. A meeting of the chamber of commerce of Redwood City was held Tuesday and plans were made to secure the needed lands in this county.

The license allows the use of the land for drill purposes in case such land might be needed, but not for camping or trenching. In reality the only way in which the lands would be likely to be used would be to march across from one point to another. The United States agrees that damage to improvements shall be properly compensated or the property restored; that actual damage to crops or land shall be properly compensated and that in case the owner is deprived of the ordinary use of the land the same shall be properly compensated.

It is aimed by the military authorities to have the entire matter closed up next week. It is believed that if this is done a division will be mobilized here at once.

A rifle range will be maintained at Mayfield on the site originally selected for the camp and several thousand men will be encamped there continuously, one regiment giving place to another at stated periods.

WAR SERVICE CALL TAKES BANK OF ITALY EMPLOYEES

The Bank of Italy was hit hard this week when two of its staff were ordered to duty in the naval reserve. The cashier, Frank Fitzpatrick, son of Judge E. F. Fitzpatrick, and Eugene Sampson, assistant cashier and son of Mayor Sampson of Redwood City, were ordered to the naval training station at San Pedro. Mr. Fitzpatrick will leave on the eleventh of December and Mr. Sampson on December 4th. By young men enlisted in the service some months ago. They are both exemplary young men and leave good positions to answer their country's call.

John McCrea, a deputy surveyor in James V. Nounan's office and only son of S. P. McCrea, principal of Sequoia Union High School, has also been called and he departs on December 7th for the south. Mr. McCrea was the assistant engineer in the government sewer construction work at Camp Fremont.

Henry Mengels is another young Redwood City man who goes to San Pedro. He does not leave until the 11th of December.

LOCAL DEALERS IN COAL ARE RESTRICTED IN SALES

The Cullen Company and J. B. Perry, the local fuel dealers in Redwood City have received orders from the government to sell no coal in lots larger than 500 pounds without requiring answers to six questions which relate to the user's fuel needs. No one can lay in a supply to last more than thirty days at a time.

The six questions asked by the government are as follows:

Amount of coal desired; Kind used last year; Approximate amount used last year; Pounds or tons on hand at present; Will last approximately number of days; Have you any unfilled orders with other dealers?

Mr. Hull is one of the best known and liked ranchers and dairymen in the county. He is a public spirited and broad gauged business man who takes a pride in assisting any cause which tends to the betterment of Redwood City and San Mateo county. S. P. OPERATORS TRANSFERRED

The Southern Pacific Company recently purchased a strip of land at the Dumbarton cut-off and have moved the fence back to permit laying a number of side tracks. The strip is about a quarter of a mile in length. The company intends to do considerable track laying and the construction of buildings at this point. Recently all the operators from the local office were moved to the Dumbarton cut-off and have established offices there to attend to all the business of the Coast and Western divisions of the company. A new local force has been shifted here from other points and the three operators sent to the Dumbarton cut-off. The big freight business coming over the Dumbarton tracks compelled the company to establish an office at that point. There is a night and day shift of operators. There was some talk of moving the depot to that point but this has been dispelled by the fact that the company has divided its local force and sent a portion to the cut-off. Eastern freights come over by way of Oakland at intervals during the night and these are handled by the operators on duty.

PERMIT GIVEN FOR CAMP FREMONT JITNEYS

The Railroad Commission has granted permission to the Redwood Transit Company to operate any number of busses between Redwood City and Camp Fremont. The company is now running two big busses to the cantonment and when all the soldiers arrive many more will be put on. The company reports that the vehicles running to the camp are doing a good business.

A FATHER'S ADVICE TO HIS SOLDIER SON.

The following letter was written in 1862 by Judge E. Rockwood Hoar, an eminent jurist of Massachusetts, to his son Samuel, who had enlisted in the United States army. This letter is now being sent out by the United States Government to the nation at large in the hope that its message may guide and inspire them in the struggle against Germany. It is hoped that every man in the United States Army will read it over and think it through.

My Dear Boy: I did not have the opportunity I had hoped to talk with you last evening—and, therefore, take this opportunity, when we are sending you your mittens and the envelopes which you forgot, to give you a few last words of affectionate counsel from home.

One of your first duties as a soldier will be to take all the care you can of your health. The farmer that is, the better you will be able to do any service, or undergo any fatigue, required of you. To preserve your health, you must try to lead as regular and temperate a life as is possible. I hope you will not try to avoid your full share of the labor, danger or exposure, where either is necessary or called for. Take every proper occasion for bathing your whole body—and scrupulously regard your personal cleanliness, no matter how much trouble it may give you. Have nothing to do with spirituous liquors of any kind. Take your food as regularly as you can get it, and neither eat immoderately nor go a long time without food, if you can avoid it. Especially be careful not to eat to excess after long fasting. I hope you will never disgrace yourself by any intemperance or obscenity, and will avoid all conversation and companions where they are practiced or allowed. Try to preserve a cheerful and contented spirit and encourage it in others. Bear hardships without grumbling and always try to do more, rather than less, than your duty. You will have occasion to be patient much oftener than to be brave. The duty of a soldier is unquestionably obedient—but, beyond this, I hope you will cultivate a kind, respectful and considerate temper toward your officers.

I hope you are going with a love for your country and your cause, and with a determination to be faithful to every duty you have undertaken. My boy, you bear the name of one who, to the end of his honored life, never shrunk from a duty, however painful, nor from a danger to which duty called him. Be sure that you do no discredit to it! Neither by cowardice, by falsehood, by impurity, by levity, nor by selfishness. Remember always your home and your friends—those who will welcome your return with pride and joy if you shall come back in virtue and honor; who will cherish your memory if faithful and true, you have given up your life; but to whom your disgrace would cause a pang sharper than death. Remember your obligations to duty and to God. And may these thoughts keep you from temptation and encourage and strengthen you in danger or sickness.

And, now, my dear boy, I commend you to God and to the power of His grace. May God bless and keep you. Think of your Heavenly Father in health and in sickness, in joy and in sorrow. Go to Him for strength and guidance. You are very dear to our hearts and your absence leaves a great place vacant in our home. If it be accorded to His will may you come back to us in safety and honor, but whatever is before us may His mercy and love be ever with you and His grace be sufficient for you. With deep affection,

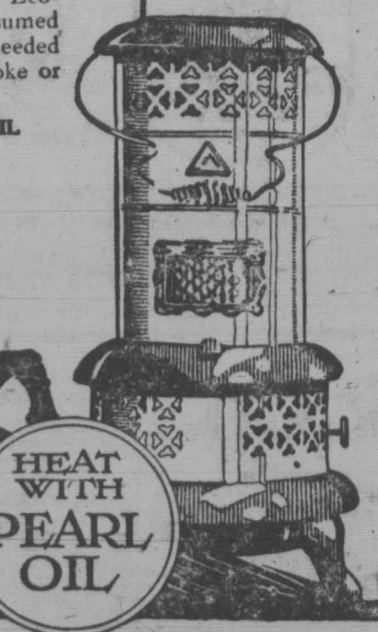

Your father,
E. R. HOAR

In this issue of the Times-Gazette we start publishing the advertising of Doan's Kidney Pills, the well-known remedy for kidney troubles and backache. This is a medicine which the editor of this paper can recommend to our readers. It has been on the market for probably fifty years and is sold now in every quarter of the civilized globe. A unique feature of the advertising of this product is the fact that in every newspaper where it is published the testimonials are given of people living right in that town. The proprietors state that they have in the last twenty years published the testimonials of 300,000 different people, so that without doubt Doan's Kidney Pills may be said to be the best recommended kidney medicine in the world.

Woodside Notes

J. W. Lowe, the well-borer, has
been prospecting for water on the
McDonough place for some weeks.

He has drilled several test holes and
has discovered enough indications to
warrant the sinking of an artesian
well. Mr. Lowe has just started sink-
ing a sixteen inch artesian well for
Leon Roos at Atherton.

Miss Dorothy Abraham and two
young gentlemen friends of San
Francisco, were visitors in Woodside
last Sunday at the home of Mrs. E.
Bogle. Miss Dorothy is the grand-
daughter of Mrs. Bogle and a cousin
to Miss Virginia Parlin, who lives at
the latter's home. The young folks
spent most of their time out in the
hills and enjoyed themselves picking
wild flowers and red berries. The
visit to the country seemed like Para-
dise to the city folks, but alas! time
flew and they only wished that they
could remain longer. The guests
finally ended the day by a most de-
lightful dinner arranged by Mrs.
Boyle.

Asks For Change of Name

Silas D. Sinsheimer has petitioned
the superior court for permission to
change his name to Silas D. Sinton.

Applicant lives at San Mateo and
was born in San Luis Obispo. The
reason given for the change in name
is that "Sinsheimer" is foreign and
German and he desires an American
sogomen. The application will be
heard on December 29th.

CHOICE MEATS

To Please the Palate

is our aim in serving meat—to retain the fine
flavor Nature bestows, not to let it go to
waste, as some meatshops do. Without pro-
longing this true tale, it may be set down for
a fact that here is to be found a first-class
place to purchase beef, mutton, ham, poultry
and game, to give your table good credit with
household and guest.

A FATHER'S ADVICE TO HIS SOLDIER SON.

The following letter was written in 1862 by Judge E. Rockwood Hoar, an eminent jurist of Massachusetts, to his son Samuel, who had enlisted in the United States army. This letter is now being sent out by the United States Government to the nation's army in the hope that its message may guide and inspire them in the struggle against Germany. It is hoped that every man in the United States Army will read it over and think it through.

My Dear Boy: I did not have the opportunity I had hoped to talk with you last evening—and, therefore, take this opportunity, when we are sending you your mittens and the envelopes which you forgot, to give you a few last words of affectionate counsel from home.

One of your first duties as a soldier will be to take all the care you can of your health. The fitter that is, the better you will be able to do any service, or undergo any fatigue, required of you. To preserve your health, you must try to lead as regular and temperate a life as is possible. I hope you will not try to avoid your full share of the labor, danger or exposure, where either is necessary or called for. Take every proper occasion for bathing your whole body—and scrupulously regard your personal cleanliness, no matter how much trouble it may give you. Have nothing to do with spirituous liquors of any kind. Take your food as regularly as you can get it, and neither eat immoderately nor go a long time without food, if you can avoid it. Especially be careful not to eat to excess after long fasting. I hope you will never disgrace yourself by any prophaneness or obscenity, and will avoid all conversation and companions where they are practiced or allowed. Try to preserve a cheerful and contented spirit and encourage it in others. Bear hardships without grumbling and always try to do more, rather than less, than your duty. You will have occasion to be patient much oftener than to be brave. The duty of a soldier is unquestioning obedience—but, beyond this, I hope you will cultivate a kind, respectful and considerate temper toward your officers.

I hope you are going with a love for your country and your cause, and with a determination to be faithful to every duty you have undertaken. My boy, you bear the name of one who, to the end of his honored life, never shrunk from a duty, however painful, nor from a danger to which duty called him. Be sure that you do no discredit to it! Neither by cowardice, by falsehood, by impurity, by levity, nor by selfishness. Remember always your home and your friends—those who will welcome your return with pride and joy if you shall come back in virtue and honor; who will cherish your memory if faithful and true, you have given up your life; but to whom your disgrace would cause a pang sharper than death. Remember your obligations to duty and to God. And may these thoughts keep you from temptation and encourage and strengthen you in danger or sickness.

And, now, my dear boy, I commend you to God and to the power of His grace. May God bless and keep you. Think of your Heavenly Father in health and in sickness, in joy and in sorrow. Go to Him for strength and guidance. You are very dear to our hearts and your absence leaves a great place vacant in our home. If it be accorded to His will may you come back to us in safety and honor, but whatever is before us may His mercy and love be ever with you and His grace be sufficient for you. With deep affection,

Your father,
E. R. HOAR

TAKES TWO WEDDINGS TO MAKE ONE MARRIAGE

The marriage of Allen B. Wentworth, a soldier at Camp Fremont, and Rose Sams of San Jose, was annulled by Judge Buck on Tuesday and a few minutes afterwards the couple secured a marriage license and were married by Rev. C. H. Stevens.

On November 10th the couple was married here, Wentworth believing that his final decree of divorce from his first wife had been entered at San Jose. Finding that it was not and having the decree granted and properly entered he returned to County Clerk Nash on Tuesday for a new license to be remarried. He was advised that the marriage on November 10th should be annulled before any license could be issued. Wentworth sought the law office of F. A. Reynolds who drew up the proper papers and in less than an hour the decree was granted and the couple was married.

A Resident Known to all Our Readers Relates an Experience.

Readers of the Times-Gazette have been told again and again of the merits of that reliable, time-proved kidney remedy—Doan's Kidney Pills. The experiences told are not those of unknown persons, living far away. The cases are Redwood City cases, told by Redwood City people.

Donald MacKenzie, contractor, 204 Franklin St., Redwood City, says: "Several years ago I used several boxes of Doan's Kidney Pills for an attack of kidney trouble. The results I got were so satisfactory that I do not hesitate to recommend them to others."

Price 60 cents, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. MacKenzie had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

THE WEEK'S EVENTS IN LOCAL CIRCLES

Redwood City as Seen Through Incidents Gathered Here and There

James Pipkin of Porterville, Tulare county, spent Thanksgiving day here with friends.

This week D. Flynn, local agent for the Ford automobile, sold a runabout to Manuel Prader.

If you have watch trouble see watch doctor, George Peterson, 214 Main street, Sequoia Hotel Building, Redwood City.

Porter Larreco, proprietor of the Capitol Bar, has enlisted in the Quartermaster's department at Camp Fremont. He will be assigned to duty in the fire department of the cantonment. His brother, Justin Larreco, will take charge of the saloon business.

William Parker, who graduated from the Christofferson Aviation school recently, has been appointed chief instructor at the Oklahoma aviation school. He left here yesterday to assume his new duties. For some time he has been giving exhibitions. He has few equals as a flyer.

Free Piano Exchange, 111 Kearney St. San Francisco. Pianos bought, sold, exchanged. Player pianos traded for pianos. Fine standard action player piano, \$75 cash delivers it to your home. See Shottler, 213 Main St. Redwood City for particulars.

The former graduates and students of Sequoia Union high school gave a barn dance in the big barn on Phelps street owned by Mrs. F. M. Granger on Wednesday evening. All had a most enjoyable time. Mrs. George Hopkins and Mrs. W. H. Crocker were the patronesses of the affair.

D. W. Williams has written to his friends in Redwood City stating that he will not leave Fairfield, Maine, until after the holidays. He and his family will then journey to Los Angeles where a few days will be spent with Mr. Williams' brother, who lives at Pasadena. The Williams expect to occupy their residence here about the middle of January.

Next Wednesday night Co. A, Troop 1 will battle with renewed "zip" and vigor at the glorious game of basketball in our gymnasium at 8 o'clock sharp. It is to be hoped that the usual good attendance will be on hand to encourage them as the local boys who are organizing to combat them, need it. The game is called early so as to allow all who wish to attend the Wednesday Eve Social in Foresters' hall.

Miss Donaldson's violin pupils will give their first public recital at the home of D. R. Stafford on Thursday evening, December 6th at 7:30

o'clock. All parents and friends of the class are invited to attend. Miss Donaldson hopes to give a number of these recitals in order to afford her pupils an opportunity to perform in public. Miss Donaldson is an efficient teacher with long experience. Her class show thoroughness and the skill of its teacher.

Hale Warn, a clerk in Bank of Italy at San Mateo, will be transferred to the Bank of Italy here to take the place of Eugene Sampson, who departs for the naval station at San Pedro next week.

M. Dove, the tailor, has moved to the Sequoia theatre building on 140 Broadway. Mr. Dove is an experienced tailor, and alters and repairs suits. Mr. Dove's superior workmanship is bringing many customers.

Attention is called to the quarterly reports of the First National Bank and the San Mateo County Savings Bank which appear in another column of this paper. The reports show the two institutions to be in a flourishing condition and to be forging ahead. A perusal of the reports will tell the story.

The first installment of county taxes will become delinquent Monday evening at 6 o'clock. If not paid by that time a delinquency of fifteen per cent will have to be paid by the taxpayer. In order to accommodate the public Tax Collector A. McSweeney has arranged to keep his office open until 8 o'clock this evening and until the same hour Monday evening. See the tax collector today and don't become delinquent.

Eugene McAuliffe will arrive from Vancouver barracks, where he has been stationed for some months, today to spend ten days with friends and relatives before starting for the front in France. Mr. McAuliffe will spend a portion of the time with his family in Alameda and with his relatives here. The parents of the young lieutenant will be guests at a dinner in their honor at his Alameda home tomorrow. Mr. McAuliffe is a lieutenant in an engineering corps which will soon see service over the seas.

Earl Elkerenkotter of this city, was removed from the Transport Sheridan in San Francisco last Tuesday suffering from an attack of an heart affection. He was taken to the government hospital at the Presidio where he will have to remain for some time. Mr. Elkerenkotter was a clerk on the transport that was soon to start for the Orient. He will be unable to make the voyage. His mother returned from the hospital yesterday and reports her son is improving but needs a long rest before he will again resume his duties with the government.

An old woman was found wandering aimlessly around Five Points late Wednesday afternoon by Sheriff Sheehan. He took her into custody and discovered that she had \$7.41 on her person. She gave the name of Margaret Sheehan. The old lady was taken in charge by the matron, Mrs. W. H. Kinne, who notified relatives in San Francisco. She was taken to her home there yesterday. Mrs. Sheehan said she was hunting for relatives whom she thought resided in this city. She is partly demented.

REDWOOD PEOPLE UNITE IN THANKSGIVING SERVICE

The Thanksgiving service in Sequoia theatre on Thursday under the auspices of the Protestant churches of this city was largely attended. Rev. C. H. Stevens of the Congregational church was in charge and opened the services promptly at 10 o'clock. The choir was composed of 24 voices. Miss Edna Zimmerman, the noted warbler of Sacramento, rendered two solos in a most pleasing manner. The Thanksgiving proclamation of President Wilson was read by Professor B. E. Meyer of the Sequoia high school.

Mr. Parker, of the Baptist church, read the scripture of the day taken from the 65th psalm. The opening prayer was given by Rev. Brice of the M. E. church and the benediction by Rev. J. O. Lincoln of the Episcopal church. Rev. Henry G. Campbell, pastor of the First Presbyterian church of San Jose, delivered the sermon making a big impression on all who heard the eloquent address. The big theatre was comfortably filled and none left until the services were finished.

The Native Daughters Lodge will give another of their enjoyable dances in the hall this evening. Good music, good time, come and trip the light fantastic to your heart's content.

Mr. and Mrs. J. B. Leonard have purchased an up-to-date Kissel Kar. Mrs. Leonard is quite an adept hand at the wheel and runs the machine with all the ease of an experienced driver.

"The Red Front" in the Coxin block on Oak Grove avenue, will be opened on December 3rd by San Francisco parties who are to conduct pool rooms and billiard parlors. They will also carry a large stock of tobacco, cigars and temperance drinks.

Thomas Hagan, the ever efficient gatekeeper at the Oak Grove avenue crossing, has been promoted by the railroad company, who recognized Mr. Hagan's efficiency. He has been made care taker of the grounds about the Menlo Park station at an increased salary.

David Roche, superintendent of the J. L. Flood estate, is at the Peninsula hospital at Palo Alto suffering from a threatened attack of pneumonia. Late reports from the institution indicate that he is rapidly recovering and may be able to leave the hospital late next week.

W. W. Benepe, the news agent for Wells, Fargo and Company, will move into his permanent quarters today, the new building having been completed. George Fisher, the assistant agent here for some time, has been transferred to Hayward. The big spacious baggage room is quite a convenience for the travelling public.

At the request of the County Council of Defense, Deputy Sheriff Brown has investigated the local restaurants and hotels as to their observance of meatless, wheatless and ice creamless days. He reports that these days are strictly observed by all.

Joseph Murray, Bernard Larreco, Walter Gale and Donald Derry, who enlisted several months ago in the naval reserve, were called by the government during the week for duty. Murray and Derry will leave next week for San Diego and the week following young Larreco and Gale will follow to the southern naval training station. All the young men are enthusiastic and physically equipped to endure any hardship for their country. The young men were all born and raised in Menlo Park.

Jams Burke, W. Kirby and Leslie Murray have enlisted in the quartermaster's department of Camp Fremont and are to be assigned to the fire department of the camp which is being organized. It will be made up of a number of experienced firemen of San Francisco who are enlisted in the fire department and will work in conjunction with the local company. When the men are thoroughly drilled they are likely to be sent to another camp, Murray may finally see service at the front.

Little Elizabeth M. Doyle, youngest daughter of Mr. and Mrs. Edward Doyle, had a narrow escape from serious injury one day this week. She fell from a window to the ground a distance of nearly ten feet. When picked up she was found to be unhurt. A doctor was called and after a thorough examination the child was pronounced physically sound. She was playing with an older sister at her home and slipped from the window. Miss Elizabeth was certainly born under a lucky star. She is only five years old.

Lieutenants Demetris Harkins and Harry Harkins, brothers, who received commissions last week, have been attached for duty to E Company of the Three Hundred and Six-

ty-third. Demetris will shortly be assigned to the cavalry and his brother to the coast artillery. Both young men are recent graduates of Santa Clara University, where they made records as brilliant students. They are the sons of the late Major Charles Harkins, the noted Indian fighter, who entered the ranks of the U. S. army during the civil war and afterwards rose to the position of major in the regular army. The Harkins boys are educated, well balanced, mentally, brave and enthusiastic. They will win their spurs as their father did on many battle fields.

James Lee Duff has been appointed a second lieutenant in the regular army having passed an examination after training for three months for the coveted appointment. Mr. Duff was given his choice of a first lieutenancy in the officers reserve or a second lieutenancy in the regular army. He chose the latter. He is awaiting a vacancy in the army before being assigned. He expects to leave in a short time for Arizona. Mr. Duff is a graduate of Stanford and after his graduation taught in the northern part of the state. Mr. Duff is well-equipped for the arduous work he will be called upon to perform in the army.

George Angus, only son of Mr. and Mrs. George Angus, has gone to Fort Mason to be attached to the medical corps. He enlisted in the base hospital department of the service some months ago and last week he was called for duty. He no doubt will be a driver of an ambulance, as he is an expert at the wheel, and will soon start for France. Mr. Angus resigned a lucrative position with the J. K. S. Arms Company of San Francisco. When he departed last Saturday the manager of the concern gave him a bonus of \$100 and told him his place was open to him when he returned. Last Monday evening the choir of the Episcopal church, of which he is a member, tendered him a farewell reception at the new parish hall. Singing and dancing were a part of the evening's entertainment. Young Angus was presented with gifts useful for him at the front. On his departure from the hall all kinds of well wishes for his success were bestowed on him by his many friends present.

A Vicious Rumor
"Among the many absurd and vicious rumors put into circulation these days, probably through pro-German influences, is one that the United States proposes to confiscate money on deposit in banks. The absurdity of the statement is obvious on its face. These rumors are wholly without foundation and probably circulated for an evil purpose. The government has no power to confiscate money on deposit in banks."—From statement of Secretary McAdoo.

KEEN COMPETITION COMING

It is announced in a report from our commercial representative at Tokio, that iron has for the first time displaced cotton as the leading import into Japan from the United States. These two commodities represent two-thirds of all American goods purchased by Japan. Both commodities are being purchased by Japan for use in her rapidly developing manufacturing industries. Much of that development is due to the demands of war. And, as a consequence, when the war is over we shall find Japan far more ready to engage us in industrial competition than when the war began. She will have the advantage of wage scales far lower than we would consent to maintain. Her hours of labor will be longer, and restrictions upon child-labor will be less than in this country. However friendly we may feel toward the Japanese nation, we must not overlook the fact that after the war we shall be engaged in keen competition with many of her manufacturing industries.
